

MXP 170DFE

Type I Ambulance

ADVANCED DOOR-FORWARD DESIGN

The MXP 170DFE is engineered to match real-world crew operations. Its door-forward layout improves response efficiency while keeping critical equipment within reach so you stay seated, secured, and focused on patient care.

This model offers industry-leading storage solutions and optimized workstations, which ensures everything you need is within arm's reach.

Safer for you, better care for your patients.

FUTURE FOCUSED. TRUSTED ON EVERY CALL.

KEY FEATURES:

- › Door-Forward Layout**
 Strategic curbside door placement improves workflow and makes emergency response efficient.
- › Industry-Leading Exterior Storage**
 Spacious, customizable exterior compartments and interior cabinetry keep essential equipment organized and accessible.
- › Optimized Workstations**
 Expanded cabinet and workstation space allows crews to access equipment while remaining seated and secure.
- › Durable Exterior Compartments**
 Built for demanding environments with dual door seals and gaskets standard on all compartment doors.
- › Integrated Multiplex Electrical System**
 Highly reliable electrical platform with customizable programming and remote diagnostics.
- › Enhanced Space Efficiency**
 A smart interior layout reduces congestion near the entryway for smoother patient care.
- › High-visibility Flush Mount Windows**
 Designed to prevent leaks, reduce maintenance costs, and maximize visibility.
- › Arctic Range Option Available**
 Premium insulation package and climate control system designed for rapid interior comfort.

ECOSMART FEATURES:

- › Economically and Ecologically Smart**
 Demers EcoSmart Technologies reduce operating costs, fuel consumption — maximizing your fleet investment.
- › Lightweight All-Aluminum Design**
 Engineered for durability with less weight — reducing fuel consumption, chassis wear, and long-term operating costs.
- › Anti-Idling System**
 Powered by the Demers Electronic Management System to cut engine idling, lower fuel costs, and reduce environmental impact.
- › Optional Aerodynamic Roof Design**
 Signature roof design promotes fuel savings while integrating durable, long-life LED warning lights.
